

Homes

At the heart of our learning...

Courage

Trying something new.

Compassion

Looking after each other.

Co-operation

Learning to stay safe when out and about.

Learning Journey:

In PSED and Communication and Language we will learn: to talk about our needs and the needs of others and begin to show an understanding of who to ask for help when it is needed.

In Literacy we will learn: to follow and compose instructions. We will enjoy traditional tales and start to blend our sounds and begin to read simple words.

In Maths we will learn: to recognise, order and write numbers 6-10. We will learn about and create patterns.

In Expressive Art and Design we will learn: to create landscapes and cityscapes using paint. We will also explore nature in art, creating 3D art with seasonal natural materials. We will also prepare for Christmas.

In Physical Development we will learn: to practice good hygiene rules. We will also learn why it is important to exercise and eat healthily.

In Understanding The World we will learn: all about internet safety and practise our keyboard and mouse skill. We will be learning about different cultural traditions and festivals.

Autumn term 2

November - December

Special events:

Halloween Party

Advent Fair

Carol Service
