

Winter Wonderland

At the heart of our learning...

Courage

Trying something new.

Compassion

Looking after each other.

Co-operation

Learning to stay safe when out and about.

Learning Journey:

In PSED and Communication and Language we will learn: the skills needed to support us when working in a group, the art of compromise, negotiating and listening to others.

In Literacy we will learn: our Phase 2 Phonic sounds. We will talk about information texts and will make facts files about the Arctic.

In Maths we will learn: to identify and name 2D and some 3D shapes, and sequence events in time. We will learn to recognise and order numbers to 20 and count on from a given number.

In Expressive Art and Design we will learn: to experiment with instruments to create different sounds and rhythms in Music. We will also use the computers to create digital art.

In Physical Development we will learn: to jump and balance safely using a range of gym equipment. We will also get the chance to interpret different music through dance and drama.

In Understanding The World we will learn: about different animals; discovering where they live in the world and investigating why.
